

GTF Board Meeting
September 22, 2018

David Wilch
Pius Ilukhor

Richard Bradley
Susan Park George

Dejon Brumfield

-Meeting was called to order by David at 14:00.

-Board discussed requirements for GTF sanctioned tournaments. The board added the following at the meeting:

1. Tournament sanctionings must be approved by the executive board (David, Richard, Susan) in order for a director to receive support from the GTF (use of GTF logo, support from referees, etc.).
2. There will an opportunity for taekwondo supporters to voice their concerns/complaints by email. On the GTF web site an email address will be available for communication. Dejon agreed to be the point of contact for grievances. People can email their grievances and a response will be made within 48 hours (not all decisions will not be made within 48 hours, just a response that the email was received). Grievances will be forwarded to the executive board.
3. Susan agreed to assist with lunch at the state qualifier to make sure volunteers are appreciated.

-Dejon made a motion to pass the GTF sanctioned tournament requirements. Richard seconded. Requirements approved with all in favor.

-Other business:

1. Master Pius voiced concerns that the taekwondo community has lost respect for one another. A decision was made to host a holiday party as an outreach program of the GTF as a way to help bridge better relations amongst the taekwondo community in Georgia and neighboring states. The board is hoping this becomes an annual event to fellowship, exchange ideas, and have fun. The tentative date for the party is December 1. Master Pius agreed to serve on this committee and will get 3-4 additional people to assist the executive board with this event.
2. The meeting adjourned at 4:20.

 Secretary
